A Holiday Message from the Thoroughbreds

I have had the pleasure of serving the membership of *The Thoroughbreds* as their president for the past two years. Now as I approach my third term, I look forward to the presentation of our 52nd Annual holiday Show. *The Thoroughbreds* "family" consists of nearly 100 men who work very hard for one reason and one reason only, the pleasure of the audience for whom we have the privilege of performing.

We do not often have the opportunity the "talk" to our fans very often so I would like to take this opportunity to tell you a little bit about our organization. First and foremost we are a group of men from all walks of life who are joined by our love for singing. We have doctors and lawyers, barbers, truck drivers, republicans, democrats, retired men and high school students. Each one spends hours learning their parts, practicing their craft, and generating the emotional involvement in the song that is required to evoke your emotional response.

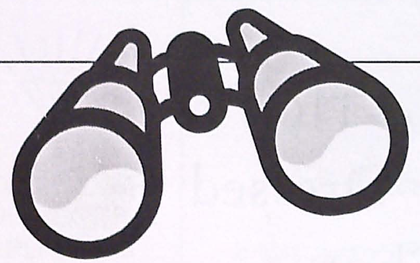

The Thoroughbreds are entirely voluntary and self-sufficient. We raise the money we need to function through shows like this one, the sale of recordings (be sure to see our sale table in the lobby paid shows for organizations, and of course, member dues. We are fortunate to have additional support from the city of Jeffersontown, the location of Jim Miller Hall, home of *The Thoroughbreds*. This support is most appreciated.

As we approach the holidays we have a tremendous amount to be thankful for. You, our friends, family members and fans are right at the top of our list. Without you, and your tremendous support, we could not have filled this hall with music for more than half a century. We hope you will continue to be with us for an additional fifty.

We wish you all a very Happy Holiday and New Year!

Best personal regards,
Larry Pizer
President, *The Thoroughbreds*

Actively Seeking Singers!

To explore all types of a cappellas music:
pop, folk, traditional barbershop and doo wop

The Thoroughbred Chorus seeks male voices to make beautiful harmony.

Come join us for a special membership orientation on Monday night, January 22, 2001 and discover the fun and personal satisfaction of singing with one of America's premier a cappella choruses.

Call Troy Lovett at 458-6963 for more information about this exciting event to be held at:

Jim Miller Hall
10609 Watterson Trail • Jeffersontown, KY
7:30 p.m.

Be sure and see our display in the lobby and please feel free to bring a friend!

From The Music Directors

We the Music Directors are especially proud of our Thoroughbreds this year. They are accepting ever higher standards of commitment and talent, in their pursuit of musical excellence. We hope you will agree that the Thoroughbreds are making noticeably better music, even while we continue to flash that electric spark of enthusiasm which is our trademark.

In this busy era, we are grateful that our music still demonstrates value which attracts men of good character who like to sing. Even though our singers volunteer their time, they understand that your ticket and advertising moneys go a long way to help pay for costumes, coaching and travel. We are honored that you choose to start your holiday season with us each year, and for that reason, we place special emphasis on our preparation for the most important Thoroughbred audience of all; you! Thanks for your support, your encouragement, and most of all, for your applause.

As a part of our Thoroughbred family, here's what you can do to help us perform even better next December. Just keep an "ear" open for that fellow you know who can really sing, and send him our way. We'll audition him, befriend him, and teach him how to sing like a champion! Just ask him to call us at 267-SING today!

Thanks for all you do, and Happy Holidays from

Allen and Ken Hatton

THE SENSATIONS

Dave Hasch Ken Hatton Jay Hawkins Jon Nicholas

The Thoroughbreds are pleased and proud to present our feature quartet for tonight's show. It has been over a decade since the Louisville #1 Chapter brought home a trophy for the Cardinal District Quartet Championship.

With only a few months of weekly rehearsals, this quartet did just that, having been judged the best quartet in Kentucky and Indiana.

Of course, this is no surprise, when you consider its personnel. Tenor, Dave Hasch and Baritone, Jon Nicholas sang together in the District Champion quartet, *The Class of '84*, while Lead, Ken Hatton has sung with the International Champion *Bluegrass Student Union* quartet since 1974. As if that isn't enough credentials, Bass, Jay Hawkins is a two-time world champion quartet man, having served as bass for both the Intenational Champions *Interstate Rivals* and *Marquis* quartets.

We know you're going to have some neat "sensations" of your own when you hear. . .
